Early Childhood Education (Grades Pre-K-4)  Major

PROGRAM HIGHLIGHTS IN BRIEF

Alvernia University is dedicated to the ideals of service in the helping professions. Alvernia’s Early Childhood Education (Pre-K-4) program prepares teachers to serve and to value a diverse group of young children and families in a variety of educational settings, which is of growing importance in today’s schools. It combines a sound liberal arts background with field work and studies in human growth and development, curriculum, methods and materials. Designed to meet Pennsylvania State Department of Education and national standards, the program prepares students for certification in early childhood education focusing on the learning needs of children through grade 4.

ACADEMIC QUALITY

Students are admitted into the Education Department and are fully accepted when the following criteria have been met:

- Successful completion of 48 credit hours
- Six (6) semester credit hours (or the equivalent) of mathematics
- Six (6) semester credit hours (or the equivalent) of English composition and American/British literature
- Successful completion of the PAPA I Tests
- Faculty recommendation
- Minimum cumulative grade point average (GPA) of 3.0 or higher
- Certification Candidacy Application

All Education students complete three or more field placements and student teaching. All coursework must be completed prior to student teaching. Applicants for the student teaching assignment must have the approval of the Education Department and an overall cumulative grade point average of 3.0 or higher. Each candidate for certification must pass the PECT Tests prior to applying for an Instructional I Certificate. Students must also have current clearances for field experiences (FBI Fingerprint, Criminal Background, Child Abuse).

CAREER SUCCESS

Alvernia Education graduates are employed in virtually all schools in Berks County and in many schools throughout the Middle Atlantic region, nationally and internationally. Our Career Services staff provides assistance with résumé preparation, interview skills and job and graduate school searches. Students obtaining a dual certification are particularly marketable after graduation.
