We offer training and question and answer sessions using webinars. A webinar is a web conferencing and eLearning environment in real time conducted by a member of the PDE certification team. There is no cost to attend. There are two types of sessions:

1. Applicant Question & Answer sessions do not have a formal presentation. When you join the session you may ask questions and get answers from a certification staff member.

2. Training sessions are formal presentations that walk you through the application process for the most common type of credential. Time is allocated to answer questions from participants. These sessions are recorded; questions cannot be entered and answered while viewing the recording.

The next slide provides more information on this topic.
