

ALVERNIA UNIVERSITY

Baccalaureate and Commencement – 2017-2018 and Beyond – Important Information

Effective with the 2017-2018 academic year, Alvernia University will celebrate our Baccalaureate Mass and Commencement Ceremony once annually, in May of each year.

Our intent is to unite our community – students, parents and families, alumni, faculty, staff, and administration – in a singular, high quality, and distinctly Alvernian day of celebration to honor our students' achievement of the milestone that is degree completion.

Students eligible to participate in the May, 2018 Baccalaureate and Commencement will be those who

- complete their degree requirements in August, 2017 but do not participate in May, 2017
- complete their requirements in December, 2017 and in May, 2018
- are projected to complete their requirements by August, 2018, as certified by the Registrar

Students eligible to participate in future May Baccalaureates and Commencements will be those who

- complete their degree requirements as of that May or the preceding December
- are projected to complete their degree requirements by the following August, as certified by the Registrar

These changes will be reflected in the 2017-2018 Undergraduate and Graduate Catalogs and Student Handbook and in subsequent editions.
