Loan Amount* (Please indicate amount in box)

I Request an original loan amount not to exceed: $

****All Federal Direct PLUS Loans have a **4% loan fee** assessed to them. This loan fee is **deducted proportionately from each disbursement.** In determining the loan amount you need to borrow, you would need to take the loan fee into consideration. You may also borrow additional to cover book expenses. We generally estimate books to cost up to $1,500 an academic year.*

*(**EXAMPLE:** A parent whose student's bill is $10,000 after all other financial aid and/or payments are deducted, would need to borrow $10,400 in a PLUS loan. If the parent wanted to include book expenses also, they could borrow up to $11960.)*

Credit Check Authorization

I authorize the U.S. Department of Education to do a credit check in order to determine if I am eligible for a federal Direct PLUS Loan.
