ALVERNIA
UNIVERSITY

Thank you for your interest in Alvernia University Online!

Whether going back to earn a Master in Business Administration, Bachelor of Science in Nursing degree or adding a certification in special education, an Alvernia University Online education will further develop the critical thinking, problem solving and communication skills that organizations say they are looking for in employees.

Why Alvernia University Online?

While many universities prepare individuals for successful careers, Alvernia University Online prepares students to be extraordinary professionals who excel by integrating ethics, principles and social justice into their studies – it's an approach engrained in our Franciscan heritage.

We are dedicated to providing a personalized experience and recognize that often times online students can feel isolated or lost in the shuffle. Our commitment to deliver a high-quality online education while maintaining a small university feel is our priority. And because of the convenient online format, students can learn at their own pace in any location that fits in their busy lives. This convenience and flexibility is key to helping students succeed.

All of our classes are taught by committed professors who have hands-on, practical experience in their respected fields; they bring real-world experience into the classroom to ground learning in a practical setting that is ideal to prepare students for success as working professionals.

At Alvernia University Online, we are more than a school. We are a community of learners and teachers working together to make the world a better place. I invite you to become a part of our community – you are welcome here!

Sincerely,

Daria LaTorre, J.D.
Dean, School of Graduate and Adult Education
