About This Directory

Campus Ministry provides opportunities for people to worship, pray, reflect and grow closer to God through Catholic tradition, ecumenism and interfaith programs. Campus Ministry recognizes the importance of connecting with other people who share your particular faith. Since Campus Ministry cannot provide a faith community for every faith, we have compiled this directory to help you find the faith community you are looking for. The local churches and places of worship are organized alphabetically according to each faith tradition. On the back of this directory is a roster of our Campus Ministry staff, a pastoral support team on campus who is sincerely invested in helping you grow in your relationship with God.
