If the answer is YES to any of the above questions, Alvernia University requires that a health care provider complete a Tuberculosis Risk Assessment (to be completed within 6 months prior to start of classes) including a tuberculosis skin test. This form may be found on the Health & Wellness Center webpage located within Alvernia University’s homepage at www.alvernia.edu.

If the answer to all of the above questions is NO, no further testing or further action is required.
