Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for a process called verification. We are required to compare information from your application with copies of **2022** Federal Tax Transcripts, **2022** Signed Federal 1040 Form(s) and Schedule(s), **2022** W-2 statement(s), or other financial documents. The law states we have the right to ask you for this information before awarding Federal Student Aid. If there are differences between your FAFSA and your financial documents, we will need to make necessary corrections to your application. Complete this worksheet and submit it to the Student Financial Services Office as soon as possible so that your financial aid will not be delayed. You and at least one parent (if applicable) must sign this worksheet for it to be reviewed. For questions regarding whether you are considered dependent or independent, please contact our office.
