Academic Policy on Eligibility for Participation of May Commencement Ceremony

The <u>academic policy</u>, which the Registrar follows, is: A student who has 6 or less credits remaining to complete the degree may participate in the May Commencement Ceremony. The Graduation Application is available online in myAlvernia on the 'Academics' tab. Seniors must submit the Graduation Application to the Registrar's Office as follows: October 1 for May Graduation; December 1 for August graduation; and March 1 for December graduation.

#### Curriculum Sheets, EAB Navigate, and AUAdvise

The information on this page and the Curriculum Sheet is provided in AUAdvise - EAB Navigate as a static tool for discussion purposes when meeting with students to schedule courses. <a href="Degree-Audit uAcheive">Degree-Audit uAcheive</a> remains the official source for each student's curiculum audit. Degree Audit uAchieve must be used together with the Curriculum Sheet to determine whether the information noted during scheduling meetings on the curriculum sheet remains accurate.

#### **General Notes**

- A minimum of 123 credits are required for graduation.
- Where appropriate, courses required for the major can be used to satisfy General Education requirements. However, the credits earned
- for these courses are applied to either Gen Ed requirements or the major, not both.
- Paths of Knowledge coursework may count towards major or minor requirements, but may not fulfill a second Mid-Level Liberal Arts
- Exploration requirement.
- Students are expected to follow the catalog requirements for General Education, the major, and additional requirements.
- A minor or second major within the areas listed under Paths of Knowledge automatically fulfills that area of the Gen Ed requirements.
- Students must complete 45 of their last 60 credits at Alvernia University
- Students must complete community service hours as part of the General Education Program

# **Major Notes**

Traditional Freshman and Transfer Students are accepted into the pre-professional phase of the MSAT program upon acceptance to the University.

Students who have completed the criteria listed below can continue with the professional phase of the MSAT Program at the completion of the 3rd year of study (transfer students and / or post-baccalaureate students will enter the professional phase of the program at a point to be determined by the Program Director):

- 1. Minimum overall GPA of 3.0 with a 3.0 GPA in all natural and applied science courses.
- 2. Completion of all pre-requisite course work (found in related coursework section) with a minimum GPA of 3.0 in the following courses: AT 101, 113, 222; BIO 103, 107, 108, 117, 118, 208, 211, 217; CHE 104, 110, PSY 101, 208; MAT 208; and PHY 110.
- 3. Formal application and essay, two recommendation forms and a grade of "C" or better in all courses mentioned above.
- 4. Entry is limited on a space-available basis. There 28 available opening in each MSAT cohort.

# All students in the Professional Phase of the MSAT Program must meet the following requirements:

1. Obtain a Pennsylvania Child Abuse History Clearance form (ACT 151), a Criminal History Record Check (ACT 34), and an FBI

Criminal Clearance (ACT 114). All clearances are required upon acceptance into the program and must be renewed

yearly. Clearances must be completed prior to beginning any clinical hours (including observational experiences). Students

must also complete the Background Checks Notification form.

2. Submit a completed health record to the Health & Wellness Center, and complete the Authorization to Release Medical

Information form.

3. Obtain specific immunizations which includes: a Two-step TB Test, Diphtheria/Tetanus Booster, Measles, Mumps and Rubella

and series of Hepatitis B vaccinations, and a Pneumococcal vaccine or waiver.

- 4. Required yearly influenza vaccine or documented refusal.
- 5. Obtain yearly Blood borne Pathogens and OSHA training and complete the Communicable Disease Policy.
- 6. Maintain current certification in CPR and First Aid (Professional Rescuer).
- 7. Provide proof of current health insurance.

## Students entering their clinical rotations (professional phase) must:

- 1. Provide transportation for clinical experience off-campus (public or private).
- 2. Must have a Pennsylvania Child Abuse History Clearance (Act 34), a Criminal History Check (Act 151), and an FBI Criminal History check on file.
- 3. Must have a completed health record on file at the Health & Wellness Center Progression Policies

An individual athletic training course or required pre-requisite course must be completed with a grade of "C" or better. However, students must achieve a 3.0 overall GPA AND a 3.0 GPA in the required pre-requisite coursework prior to entering the professional phase of the program. Students may repeat/delete only one MSAT (AT) course throughout the athletic training program.

Students who receive a grade of less than a "C" in an athletic training course may not progress in athletic training courses for which that course is a prerequisite.

Professional phase student must also maintain a minimum GPA of 3.0 at all times during the professional phase of the program.
