		OT 530 Capstone I: Intro and Search Method	2
TOTAL	16	TOTAL	17
Complete 5 hours of Community Service		Complete 5 hours of Community Service	

NOTES:

- Academic Completion Plans may not be accurate for declared second majors, depending upon the semester you declare. Completion of such additional major(s) could increase time to degree completion.
- Minors must be declared by the time specified in the current Alvernia Course Catalog and you must meet with your *minor advisor* to determine when the necessary classes are offered since you may not add additional time to degree completion beyond the completion of your major courses to complete the minor.
 - Alvernia Policy 15.4460 Graduation Policy and the current Alvernia Course Catalog detail graduation requirements, honors at graduation, and eligibility to participate in the Commencement Ceremony. Those policies include information such as the following:
 - Alvernia's Bachelor's Degree Requirements in the Course Catalog specify that 12 credits in the major and 9 credits in the minor must be completed at Alvernia University.
 - When pursuing a double major, you must have 12 distinct credits between the two majors.
 - A student who has completed all graduation requirements and has coursework of 6 or less credits remaining to complete the degree may participate in the May Commencement Ceremony.
 - The Graduation Application is available on-line in myAlvernia on the 'Academics' tab. Seniors must submit the Graduation Application to the Registrar's Office as follows: **October 1 for May Graduation; December 1 for August graduation; and March 1 for December graduation.**

Curriculum Sheets, EAB Navigate, and AUAdvise

The information on this page and the Curriculum Sheet is provided in AUAdvise - EAB Navigate as a static tool for discussion purposes when meeting with students to schedule courses. Degree Audit [uAcheive](#) remains the official source for each student's curriculum audit. Degree Audit uAchieve must be used together with the Curriculum Sheet to determine whether the information noted during scheduling meetings on the curriculum sheet remains accurate.

General Notes

- Students are expected to follow the catalog requirements for General Education, the major, and additional graduation requirements.
- A minimum of 123 credits are required for graduation.
- Where appropriate, courses required for the major can be used to satisfy General Education requirements. However, unless the curriculum labels a course as a "Related Area Requirement" the credits earned for these courses are applied to either Gen Ed requirements or the major, not both.
- Paths of Knowledge coursework may count towards major or minor requirements, but may not fulfill a second Mid-Level Liberal Arts exploration requirement.
- A minor or second major within the areas listed under Paths of Knowledge automatically fulfills that area of the Gen Ed requirements.
- Students must complete 45 of their last 60 credits at Alvernia University
- Students must complete community service hours as part of the General Education Program

Minor Notes

Please consult with your academic advisor for more information. If you have declared a minor, consult with your minor academic advisor as well to ensure your ability to complete your minor by graduation.
