How to Prepare for New Student Orientation

New Student Orientation Weekend is almost here, and we couldn't be more excited to welcome you to campus! Over the next few weeks, it's important to make sure you're preparing both logistically and personally for this exciting milestone.

Before you arrive, take a few minutes to review your New Student Checklist in the New Student Portal. Be sure you've completed all required items, including any outstanding health requirements, financial aid or billing tasks, and other compliance items.

Completing these before Move-In Day helps ensure a smooth start to your first semester.

As you prepare, don't forget that Orientation is about much more than checking items off a list. It's your opportunity to begin building your Alvernia community. Come ready to:

- Meet new people and make new friends.
- Step outside your comfort zone and try something new.
- Ask questions—we're here to help!
- Participate in activities and traditions that make Alvernia special.
- Keep an open mind and embrace the beginning of your college journey.

Every Golden Wolf starts somewhere, and Orientation is designed to help you feel confident, connected, and prepared for the semester ahead.
