Week of Welcome

As New Student Orientation comes to a close, the excitement doesn't stop there. Week of Welcome is your chance to continue building friendships, discover campus traditions, and settle into life as a Golden Wolf before the semester begins.

Throughout the week, you'll find events happening across campus designed to help you connect with classmates, meet faculty and staff, explore campus resources, and have fun along the way. Whether it's a social event, campus activity, late-night program, or an opportunity to get involved, there's something for everyone.

We encourage you to attend as many events as possible!

Week of Welcome is one of the best opportunities to:

- Meet new friends and strengthen the connections you made during Orientation.
- Learn more about the people, places, and resources that will support your success.
- Discover clubs, organizations, and activities that match your interests.
- Start your first semester feeling confident, connected, and part of the Pack.

Be sure to review the Week of Welcome schedule, mark your calendar, and jump into the experience. The more you participate, the more you'll get out of your first week at Alvernia.
