TOTAL	16	TOTAL	12
Complete 5 hours of Community Service		Complete 5 hours of Community Service	

NOTES:

- Academic Completion Plans may not be accurate for declared second majors, depending upon the semester you declare. Completion of such additional major(s) could increase time to degree completion.
- Minors must be declared by the time specified in the current Alvernia Course Catalog and you must meet with your *minor advisor* to determine when the necessary classes are offered since you may not add additional time to degree completion beyond the completion of your major courses to complete the minor.
 - Alvernia Policy 15.4460 Graduation Policy and the current Alvernia Course Catalog detail graduation requirements, honors at graduation, and eligibility to participate in the Commencement Ceremony. Those policies include information such as the following:
 - Alvernia's Bachelor's Degree Requirements in the Course Catalog specify that 12 credits in the major and 9 credits in the minor must be completed at Alvernia University.
 - When pursuing a double major, you must have 12 distinct credits between the two majors.
 - A student who has completed all graduation requirements and has coursework of 6 or less credits remaining to complete the degree may participate in the May Commencement Ceremony.
 - The Graduation Application is available on-line in myAlvernia on the 'Academics' tab. Seniors must submit the Graduation Application to the Registrar's Office as follows: **October 1 for May Graduation; December 1 for August graduation; and March 1 for December graduation.**

Additional Curriculum Information Resources

Course Catalogs

Students must refer to the Course Catalog for the year they enrolled (matriculated) at Alvernia for program requirements. Students may elect to move to a later year with permission from the Department Chair and Dean and notice to the Registrar. General academic policies in the Course Catalog may be revised by Alvernia during a student's matriculation based on continuously improved practices or federal and state laws and regulations. All such changes will apply to students regardless of matriculation year.

Academic Completion Plans

Academic Completion Plans (formerly 8-semester plans) provides the course timing by semester for each program. Courses will be scheduled based on the Academic Completion Plans and students must enroll in the specific courses listed during the semester indicated.

AUAdvise

[Degree Audit uAcheive](#) remains the official source for each student's curriculum audit and provides the opportunity using the "what if" function to run scenarios for major changes or additions of minors.

EAB Navigate

[EAB Navigate](#) is the official tool faculty, advisor, navigators, and administrators use for alerts as well as student meeting and advising session discussion notes. This tool, together with the student's degree audit from uAchieve comprises the student file that follows the student throughout their matriculation and is accessible by advisors, navigators, and other administrators for official purposes.
