Academic Policy on Eligibility for Participation of May Commencement Ceremony

*The academic policy, which the Registrar follows, is: A student who has 6 or less credits remaining to complete the degree may participate in the May Commencement Ceremony. **Application Deadlines:** August Graduation - December 1; December Graduation - March 1; May Graduation - October 1. Any questions, please call the Registrar's Office.*

Curriculum Sheets, EAB Navigate, and AUAdvise

The information on this page and the Curriculum Sheet is provided in AUAdvise - EAB Navigate as a static tool for discussion purposes when meeting with students to schedule courses. [Degree Audit uAchieve](#) remains the official source for each student's curriculum audit. Degree Audit uAchieve must be used together with the Curriculum Sheet to determine whether the information noted during scheduling meetings on the curriculum sheet remains accurate.

GENERAL NOTES

- A minimum of 123 credits are required for graduation.
- Where appropriate, courses required for the major can be used to satisfy General Education requirements. However, the credits earned for these courses are applied to either Gen Ed requirements or the major, not both.
- Paths of Knowledge coursework may count towards major or minor requirements but may not fulfill a second Mid-Level Liberal Arts Exploration requirement.
- Students are expected to follow the catalog requirements for General Education, the major, & additional requirements.
- A minor or second major within the areas listed under Paths of Knowledge automatically fulfills that area of the Gen Ed requirements.
- Students must complete 45 of their last 60 credits at Alvernia University
- Students must complete community service hours as part of the General Education Program

Progression Requirements:

- Achievement of "C" or higher in all undergraduate OT courses and related required courses and a grade of "P" in OT Fieldwork Practicum courses (OT 482, 483, 587, & 589).
- Any student not earning a cumulative GPA of 3.0 at the end of any semester will be placed on academic probation within the OT program. Any student on OT program academic probation for more than two consecutive semesters will be dismissed from the program. Review of the GPA occurs twice a year at the end of the fall and spring academic semesters.
- The repeat/delete option may be used three times total for grades below a "C" or an "F" in a pass/fail course in all OT courses/practicums and related required courses. This repeat/delete option can be used only one time for any one course. If the second attempt does not result in a grade of "C" or higher or "P" in FW II, the student will be dismissed from the program.
- Achievement of a 3.0 GPA is required for entrance into Level II Fieldwork.
- Any student who fails a Level II FW Practicum course may repeat the course one time only (this is included in the three course maximum). The course must be repeated at its next offering. The AFWC will schedule the FW experience. The student must contact the AFWC within two weeks following written notification from the OT program of the failure in order to begin the development of an action plan and remediation. Please refer to the Alvernia University OT Student Handbook for full details of requirements and expectations.
- Any time during FW, unsafe or unethical practice or student performance at the level of a failure, as determined by the AFWC and/or the FW supervisor may result in immediate

removal from the FW site and a grade of “F.”

- Criminal background checks, abuse history clearances, health and immunization records, and negative drug screens are required for placement at a level I and II fieldwork sites.
- For students in the 5-year BSHS & MSOT track, academic honors will be awarded according to the cumulative GPA at the end of the semester prior to the start of the first Level II Fieldwork.

Advancement to the graduate phase:

- Alvernia University students in the five-year BSHS to MSOT track who have successfully completed the undergraduate phase of the program including successful completion of Level II fieldwork may transition directly into the graduate phase of the program.
- A cumulative GPA of 3.0 on a 4.0 scale for all undergraduate work.
- Achieved a final grade of “C” or better in all occupational therapy, prerequisite, and related required courses.
- Completion of all core requirements.
- Completion of all undergraduate requirements.
- Submission and approval of a portfolio of the student’s academic, service, and professional accomplishments.
- Successful completion of all courses connected Level I fieldwork.
- Successful completion of Level II fieldwork. All Level II fieldwork must be completed in sequence and within 24 months following completion of the didactic portion of the program and no part of Level I fieldwork can be substituted for any part of Level II fieldwork.

Degree/Major: MS OCCUPATIONAL THERAPY

Name: _____ Id: _____

2nd Major: _____ 3rd Major: _____ Minor: _____ 2nd Minor: _____
