The 8-semester plan may not be accurate for declared second majors, depending upon the semester you declare. Completion of such additional major(s) could increase time to degree completion. If you declare a minor, you must work with your advisor to determine when the necessary classes are offered since you may not add additional time to degree completion beyond the completion of your major courses to complete the minor.

Alvernia Policy <u>15.4460 Graduation Policy</u> and the current <u>Alvernia Course Catalog</u> detail graduation requirements, honors at graduation, and eligibility to participate in the Commencement Ceremony. *Those policies include information such as the following:* 

- Alvernia's Bachelor's Degree Requirements in the Course Catalog specify that 12 credits in the major and 9 credits in the minor must be completed at Alvernia University
- When pursuing a double major, you must have 12 distinct credits between the two majors
- A student who has 6 or less credits remaining to complete the degree may participate in the May Commencement Ceremony.

• The Graduation Application is available online in myAlvernia on the 'Academics' tab. Seniors must submit the Graduation Application to the Registrar's Office as follows: October 1 for May Graduation; December 1 for August graduation; and March 1 for December graduation.

If you have any questions regarding graduation requirements, please call the Registrar's Office (610.796.820)
