#### Academic Policy on Eligibility for Participation of May Commencement Ceremony

The academic policy, which the Registrar follows, is: A student who has 6 or less credits remaining to complete the degree may participate

in the May Commencement Ceremony. The Graduation Application is available online in myAlvernia on the 'Academics' tab. Seniors must submit the Graduation Application to the Registrar's Office as follows: October 1 for May Graduation; December 1 for August graduation; and March 1 for December graduation.

If you have any questions, please call the Registrar's Office (610.796.8201)

## **Curriculum Sheets, EAB Navigate, and AUAdvise**

The information on this page and the Curriculum Sheet is provided in AUAdvise - EAB Navigate as a static tool for discussion purposes when meeting with students to schedule courses. [Degree Audit uAchieve](#) remains the official source for each student's curriculum audit. Degree Audit uAchieve must be used together with the Curriculum Sheet to determine whether the information noted during scheduling meetings on the curriculum sheet remains accurate.

### **General Notes**

- A minimum of 123 credits are required for graduation.
- Where appropriate, courses required for the major can be used to satisfy General Education requirements. However, the credits earned for these courses are applied to either Gen Ed requirements or the major, not both.
- Paths of Knowledge coursework may count towards major or minor requirements, but may not fulfill a second Mid-Level Liberal Arts Exploration requirement.
- Students are expected to follow the catalog requirements for General Education, the major, and additional requirements.
- A minor or second major within the areas listed under Paths of Knowledge automatically fulfills that area of the Gen Ed requirements.
- Students must complete 45 of their last 60 credits at Alvernia University
- Students must complete community service hours as part of the General Education Program

### **Major Notes**

BIO 109 is recommended. MAT 208 is the required Math course.

### **Progression Requirements:**

- Students who achieve less than a C in 2 of these 5 required courses, PSY 101, 130, 208, 230, and 250, will be put on departmental probation status.

- The repeat/delete option may be used three times total for grades below a “C” in required psychology courses. This option can only be used one time for any one course. If the repeat/delete option does not result in a grade of “C” or higher, the student will be dismissed from the program.
- Transfer students must earn at least a C in their first three required psychology courses at Alvernia University. Transfer students will be evaluated on a case-by-case basis but may be placed on probationary status depending on their transcripts.
- Alvernia University requires criminal background checks, abuse history clearances as well as health and immunization status, and drug screens for internships. Students must obtain all required legal clearances and file them with the Office of Academic Compliance by May 31st for all fall placement and November 30th for spring placement. If clearances are not on file with the Office of Academic Compliance prior to the first day of the semester, the student must withdraw from PSY 412- 422/PSY 413-423. If a student fails a clearance, the course instructor will attempt to place the student in a practicum that does not require a clearance. However, the practicum agency makes the final decision regarding acceptance of a student within their organization. Students who are unable to meet these requirements cannot progress in the program.
