

# ADVISING WORKSHEET: PSYCHOLOGY & COUNSELING

---

## GENERAL NOTES

- A minimum of 123 credits are required for graduation.
- Credits earned for COM 100 and MAT 100 do not count toward the 123 credits required for graduation; however, COM 100 students may petition for elective credit.
- Where appropriate, courses required for the major can be used to satisfy General Education requirements. However, the number of credits earned for these courses are applied to either Gen Ed requirements or the major, not both.
- Paths of Knowledge coursework may count towards major or minor requirements, but may not fulfill a second Mid-Level Liberal Arts Exploration requirement.
- Students are expected to follow the catalog requirements for General Education, the major, and additional requirements.
- A minor or second major within the areas listed under Paths of Knowledge automatically fulfills that area of the Gen Ed requirements.

## MAJOR NOTES

BIO 109 is recommended. MAT 208 is the required Math course.

**CLEARANCES:** In the semester before the practicum, the student must obtain appropriate background clearances. If the clearances are not on file in the Academic Compliance Office prior to the first day of the semester, the student will not be allowed to enroll in the practicum. If the student fails a clearance, the course instructor will attempt to place the student in a practicum which does not require a clearance. The practicum agency makes the final decision regarding acceptance of a student with their organization.

Any student participating in an experiential component of the program (ex. Research with a faculty member, service-learning course, volunteer experience) may be required to obtain background clearances prior to participating.

## OPPORTUNITIES FOR MAJORS

### Psychology Club

The Psychology Club promotes interest in psychology and provides students with the opportunity to associate with other individuals who share similar interests. The club is open to all full-time students at Alvernia University and is a recognized organization of the Student Government Association. The Club sponsors lectures, career talks, get-togethers, Christmas on Campus, and service projects at area agencies. Dr. Erin Way, the faculty advisor, can be reached at [erin.way@alvernia.edu](mailto:erin.way@alvernia.edu) or by telephone at 610-685-3257. You may also contact the Psychology Club officers through PAX.

### PSI CHI International Honor Society

Psi Chi is an International Honor Society whose purpose is to encourage, stimulate and maintain excellence in scholarship of the individual members in all fields, particularly in psychology, and to advance the science of psychology. Psi Chi sponsors speakers on campus, organizes trips to psychology conventions, and hosts informal discussion groups to discuss graduate work and careers in psychology. The advisor, Dr. Di You, can be reached by email at [di.you@alvernia.edu](mailto:di.you@alvernia.edu) or by telephone at 610-796-8354.

### The Washington Center Experience

Alvernia students have an opportunity to earn college credit by spending a semester or summer in Washington, D.C. where they serve as interns in a congressional office, government agency, major corporation, newspaper or news network, or agencies devoted to legal affairs, international relations, or business and economics. They also may intern with one of several non-profit groups dealing with the environment, women's issues, the arts, education, science, or labor relations among others. Participants are customarily juniors or seniors who have achieved grade point averages of 2.5 or better and who have the endorsement of the appropriate academic area. In addition to their internship, students select one seminar dealing with the arts and humanities, communication, public policy, the legal system, business, and government. Interested students should see their academic advisor.
