Students are urged to choose a major by the end of the second semester. Some majors require a very prescribed course progression and delaying your choice might mean an extra year of coursework. Some majors have specific entrance requirements.

Curriculum Sheets, EAB Navigate, and AUAdvise

The information on this page and the Curriculum Sheet is provided in AUAdvise - EAB Navigate as a static tool for discussion purposes when meeting with students to schedule courses. [Degree Audit uAcheive](#) remains the official source for each student's curiculum audit. Degree Audit uAchieve must be used together with the Curriculum Sheet to determine whether the information noted during scheduling meetings on the curriculum sheet remains accurate.

Major Notes
Individual Major Exploration:

The Faculty Advising Coordinators serve as additional resources for students exploring majors. Working with the Academic Success Center (ASC), these faculty members provide opportunities for major and minor exploration. In coordination with Career Development, students develop individual profiles, take interest assessments, observe classes in progress and participate in shadowing opportunities. In addition, students participate in Alumni Affair events specifically designed to assist in the exploration of majors and careers.

Career Development:

Located in BH 103, Career Development has an extensive library of career information for students exploring their interests. Students can browse the collection and/or make an appointment to meet the Director of Career Development.
