Students are urged to choose a major by the end of the second semester. Some majors require a very prescribed course progression and delaying your choice might mean an extra year of coursework. Some majors have specific entrance requirements.

The 8-semester plan may not be accurate for declared second majors, depending upon the semester you declare. Completion of such additional major(s) could increase time to degree completion. If you declare a minor, you must work with your advisor to determine when the necessary classes are offered since you may not add additional time to degree completion beyond the completion of your major courses to complete the minor.

Alvernia Policy 15.4460 Graduation Policy and the current Alvernia Course Catalog detail graduation requirements, honors at graduation, and eligibility to participate in the Commencement Ceremony. *Those policies include information such as the following:*

- *Alvernia's Bachelor's Degree Requirements in the Course Catalog specify that 12 credits in the major and 9 credits in the minor must be completed at Alvernia University*

- *When pursuing a double major, you must have 12 distinct credits between the two majors*

- *A student who has 6 or less credits remaining to complete the degree may participate in the May Commencement Ceremony.*

- *The Graduation Application is available online in myAlvernia on the 'Academics' tab. Seniors must submit the Graduation Application to the Registrar's Office as follows: October 1 for May Graduation; December 1 for August graduation; and March 1 for December graduation.*

If you have any questions regarding graduation requirements, please call the Registrar's Office (610.796.820)

Major Notes

Individual Major Exploration:

The Faculty Advising Coordinators serve as additional resources for students exploring majors. Working with the Academic Success Center (ASC), these faculty members provide opportunities for major and minor exploration. In coordination with Career Development, students develop individual profiles, take interest assessments, observe classes in progress and participate in shadowing opportunities. In addition, students participate in Alumni Affair events specifically designed to assist in the exploration of majors and careers.

Career Development:

Located in BH 103, Career Development has an extensive library of career information for students exploring their interests. Students can browse the collection and/or make an appointment to meet the Director of Career Development.
